If you would like a different checking and/or savings account than the one we preselected, you may change to another Servbank checking and/or savings account of your choosing starting Tuesday, October 13, 2026. Simply stop by any Servbank branch and someone will assist you. You can find a detailed review of our product grids beginning on page 16 of this packet.

Online & Mobile Banking Access

On October 13, at 9:00 AM CT, you'll be able to log in to www.servbank.com or access your accounts by using the Servbank app. Online or in the app, enter your existing Online Banking login ID, known as a "user ID". You may be asked to update your password later. Your username and password will be the same for both Online and Mobile Banking access.

If you are using the mobile app: you can re-establish biometric authentication (Face ID) after your first log in.

The Servbank routing number is 071993214.

The Iroquois Federal routing number will remain active for electronic transactions and checks using the prior routing number. **The bank will no longer accept wire transfers using the Iroquois Federal routing number**; please use the new Servbank incoming wire instructions and routing number for wires. We recommend updating payment and deposit instructions to use the Servbank routing number, and all new setups should use the Servbank routing number.

Debit Card

Before conversion, you will receive your new Servbank Visa debit card with instructions on how to activate it. Make sure to provide any third-party vendors or merchants authorized to store your debit card information, with your new Servbank Visa debit card number, expiration date, and CVV.

A new card will be sent and will have a new look to include the Servbank logo. When conversion of our credit card statements takes place, you can log in to the Servbank Elan Credit Card website, where you will be prompted to create a new username and password. You may continue to view statements, manage account alerts, set up autopay, and more at www.myaccountaccess.com. AFTER CONVERSION - OCTOBER 13, 2026

Checks	You may continue using your existing Iroquois Federal checks. Check orders placed through October 9, 2026, will continue to use the Iroquois Federal bank name and routing transit number. If you still have a supply of Iroquois Federal checks, you may continue using them. **Exception:** HELOC checks will no longer be available for use. If you have a HELOC with us, please refer to the Change in Terms notice delivered to you in a separate mailing.
Zelle	You will still be able to send money to people you know and trust. You will need to re-enroll within Servbank Online Banking. Once you log in, you will find Zelle under Bill Pay. We're pleased to continue offering this service.
Bill Pay	Servbank Bill Pay will be available starting Tuesday, October 13, 2026. Iroquois Federal Bill Pay access will end at 11:59 PM CT on Thursday, October 8, 2026. **Please review any scheduled bill payments before October 8. After 11:59 PM CT October 8, scheduled payments can no longer be changed or canceled.** **Important:** Your Bill Pay information, including payees, scheduled and recurring payments, account details, and payment history, will automatically transfer to Servbank Bill Pay. After conversion, simply log in to review your information and continue using the service. Bill Pay information may take up to four business days to fully appear following conversion.
Transfers	All previously established recurring transfers (internal and external) that were set up in Iroquois Federal Online Banking may not carry over to the new online banking portal. After you log in to Servbank Online Banking, please take a moment to review your transfers section. Please note that automatic payments and transfers are different. Automatic payments set up directly with the bank will continue; however, transfers maintained by the customer online may need to be re-established.
Direct Deposit	Your direct deposit will not be affected before, during, or after conversion. However, we do recommend contacting any organization that initiates ACH deposits into your account to provide them with your updated routing number.
eStatements	Please be sure to re-enroll into eStatements for all deposit and loan accounts to continue receiving them electronically. By default, you will be enrolled to receive paper statements.
Certificates of Deposit (CD)	The Additional Terms and Disclosures provided with your CD Signature Card at account opening include the terms for your time deposit. The rate information for your CD is changing. While your interest rate remains accurate, Servbank's monthly compounding and crediting of interest may affect your annual percentage yield (APY), which could increase. Interest will be compounded monthly and credited monthly.

AFTER CONVERSION - OCTOBER 13, 2026

Alerts

Your current card and account alerts will not be transferred over. Please make sure you set these up once you have logged in to Servbank Online/Mobile Banking.

Individual Retirement Accounts (IRA)

The Additional Terms and Disclosures provided to you at the time of your account opening include the terms for your IRA. While your interest rate remains accurate, Servbank's monthly compounding and crediting of interest may affect your annual percentage yield (APY), which could increase. Interest will be compounded monthly and credited monthly.

Your HSA will be transferred to Servbank. Your new Visa HSA card will be mailed to you along with activation instructions. Please be sure to properly dispose of your old HSA Mastercard. Refer to the HSA product grid and account information on page 19 for further details.

Mortgage Loans

If you have a mortgage with us, Servbank's very own Mortgage Servicing Division will begin servicing it on October 1, 2026. You will receive a separate letter in the very near future with all the details you will need to make this change as seamless as possible. If you have an automatic payment managed directly by the bank, it will continue with no changes necessary on your end.

If you have a mortgage and deposit account with us, you will be able to view and pay your mortgage within Servbank's Online Banking system beginning October 13, 2026. Simply click on the “LOG IN” button and select the "Pay My Mortgage" link as shown on this diagram.

Any activity from October 6 through October 9, 2026, will be provided separately in a mailed “detail only” statement. - Your November 5 statement will be your first HELOC statement from Servbank.
- After conversion, you will need to re-enroll in eStatements for your HELOC through Servbank Online Banking.

Interest will be compounded monthly and credited monthly, which may result in an increase to the annual percentage yield (APY).

This applies to standard Certificates of Deposit and IRA Certificates of Deposit.

On behalf of everyone at Servbank, it is my pleasure to welcome you to our family and thank you for the trust you place in us.
